Doc. 2024082902PB_Declaration for gasket material in joint

Our Ref. 000149139/24 rev.00 FL/gt

Object: **Declaration for gasket materil in joint of SAMSUN MAKINA ductile iron pipes for water pipeline**

We hereby declare that ICIM, acting within the scope of the product certification according to standard EN 545:2010 at the request of company

SAMSUN MAKINA SANAYI A.S.
Ali Fuat Başgil Mah, Fethiye Sokak,
No: 1 (06700) Çankaya – ANKARA – TURKEY:

examined the technical documentation presented and related to EPDM gaskets for pipe flexible joints of a size range extending from DN80 to DN2000 manufactured by SAMSUN MAKINA.

ICIM verified the documentation and found it compliant with the requirements of EN 681-1:1996/A3:2005 and ISO 4633:2023.

ICIM S.p.A.
